'New Sociology of Ignorance web resource'

Date: 2012-12-11 22:11:47+01:00

There is a great new resource on the sociology of ignorance at: http://www.sociologyofignorance.com/ (edit: site not working as of June 2023).

The site is run by Joanne Gaudet and supported by Matthias Gross. It already has a very useful bibliography.
